

Glaswerk

```
classDiagram
    class Glaswerk
    class Kolf
    class Fles
    class Beker
    Glaswerk <|-- Kolf
    Glaswerk <|-- Fles
    Glaswerk <|-- Beker
```

The diagram illustrates a class hierarchy. At the top is the 'Glaswerk' class, which has an empty compartment below its name. Below it are three subclasses: 'Kolf', 'Fles', and 'Beker'. Each subclass also has an empty compartment below its name. A vertical line with an open triangle arrowhead points from the top of each subclass box to the bottom of the 'Glaswerk' box, indicating inheritance.

Kolf

Fles

Beker
