The diagram illustrates a class hierarchy. At the top is the 'Tekst' class, which has a single compartment for its name and an empty compartment below it. Below 'Tekst' are three subclasses: 'Sticker', 'Gravure', and 'Opdruk'. Each subclass also has a name compartment and an empty compartment below it. A vertical line with an open triangle arrowhead points from the top of each subclass box to the bottom of the 'Tekst' box, indicating inheritance. A horizontal line connects the three subclass boxes, and vertical lines extend from this horizontal line to each subclass box.
